## 1 One-time fees

### 1.1 Service provisioning

Transmission capacity	One-time service provisioning fee according to the agreed minimum service utilisation period		
	12 months	24 months	36 months
Selected service transmission capacity	100 % of recurring monthly service fee <sup>1)</sup>	50 % of recurring monthly service fee <sup>1)</sup>	Included in recurring monthly service fee

<sup>1)</sup> One-time fee for provisioning of service with the respective transmission capacity and the agreed minimum service utilisation period is derived from the agreed recurring monthly service fee (including a surcharge for the service variant with a service level agreement (SLA), as appropriate). The one-time service provisioning fees under this item 1.1 apply only to GTS Ethernet Line services ordered (GTS Ethernet Line Service Specifications concluded) in the period since 1 August 2012.

### 1.2 NNI Central Interface

Transmission capacity	One-time fee for provisioning of NNI Central Interface <sup>2)</sup>
10 Mbps	CZK 11,000 / CZK 13,500
50 Mbps	CZK 27,000 / CZK 32,500
100 Mbps	CZK 35,000 / CZK 42,000
200 Mbps	CZK 40,000 / CZK 48,000
300 Mbps	CZK 50,000 / CZK 60,000
400 Mbps	CZK 55,000 / CZK 66,000
500 Mbps	CZK 60,000 / CZK 72,000
600 Mbps	CZK 65,000 / CZK 78,000
700 Mbps	CZK 70,000 / CZK 84,000
800 Mbps	CZK 75,000 / CZK 90,000
900 Mbps	CZK 80,000 / CZK 96,000
1 Gbps	CZK 85,000 / CZK 102,000

<sup>2)</sup> One-time fee for provisioning of NNI Central Interface / NNI Central Interface with redundancy (backup).

### 1.3 Value added services, changes of service parameters

Service	One-time fee for provisioning or change of service
Re-location of the termination point	<sup>3)</sup>
Change of service capacity	<sup>4)</sup>
Change of capacity of NNI Central Interface	<sup>5)</sup>
Express service installation	Individually <sup>6)</sup>
QoS setting	CZK 990 <sup>7)</sup>
Inclusion in Pro-active Monitoring	CZK 490 / service
Access to Traffic Statistics	CZK 490 / service
Back-up	Price identical to item 1.1
1000 MAC addresses (available only for EPL variant)	CZK 2,500
Unlimited MAC addresses (available only for EPL variant)	CZK 7,500

<sup>3)</sup> Price for re-location of the service termination point shall be charged in the amount equal to one-time service provisioning fee.

<sup>4)</sup> Price of service capacity increase shall be charged in the amount equal to the difference between one-time fees for provisioning of services with new and original transmission capacities.

<sup>5)</sup> Price of capacity increase of the NNI Central Interface shall be charged in the amount equal to the difference between one-time fees for NNI Central Interface with new and original transmission capacities.

<sup>6)</sup> Price of express service provisioning shall be set individually according to the scope of work and the required schedule.

<sup>7)</sup> If QoS is commissioned simultaneously with service provisioning, the price will be included in the one-time service provisioning fee.

Valid as of 1 August 2012. All prices in CZK excl. VAT as stipulated by the law.

## 2 Recurring monthly fees

### 2.1 GTS Ethernet Line - EVPL / EPL

#### 2.1.1 SHDSL variant – basic service level without SLA

Prices apply to the service utilising point-to-point topology with both points terminated in SHDSL technology (EVPL variant).

Transmission capacity	Recurring monthly service fee – service variant without SLA according to the agreed minimum service utilisation period		
	12 months <sup>8)</sup>	24 months <sup>9)</sup>	36 months <sup>10)</sup>
512 kbps	CZK 5,250	CZK 4,725	CZK 4,200

900 Mbps	CZK 80,000 / CZK 96,000
1 Gbps	CZK 85,000/ CZK 102,000

<sup>12)</sup> Recurring monthly fee for NNI Central Interface / NNI Central Interface with redundancy (backup).

## 3 Value added services

Service	Recurring monthly fee
QoS service surcharge to recurring monthly fee	20 % recurring monthly service fee
Pro-active monitoring	CZK 290 / service
Traffic statistics	CZK 290 / services
Back-up	Price identical to items 2.1.1, 2.1.2

## 4 Service levels STANDARD, PLUS and TOP (recurring monthly fees)

Service levels as per the following table may be provided with all of the above services:

Transmission capacity	Service level		
	STANDARD	PLUS	TOP
512 kbps - 20 Mbps (SHDSL)	Recurring monthly fee w/o SLA + 30 %	Not available	Not available
2 Mbps and higher (radio variant)	Recurring monthly fee w/o SLA + 5 %	Recurring monthly fee w/o SLA + 25 %	Recurring monthly fee w/o SLA + 40 %
